We will only disclose your personal details to third parties, if it is necessary for the performance of your contract with us.

By proceeding with this contract you will signify your consent to such information being processed by us or our agents.

We will keep your information secure at all times. In certain circumstances, for example for systems administration purposes, we may have to transfer your information to another country, which may be a country outside the European Economic Area (EEA). By proceeding with your insurance application, we will assume you are agreeable for us to transfer your information to a country outside the EEA.

The aim is to help us check information provided, and also to prevent fraudulent claims. When we deal with your request for insurance we may search these registers. Under the conditions of this Insurance, you must tell us about any incident (such as an accident or theft) whether or not it gives rise to a claim. When you tell us about an incident, we will pass information relating to it to the registers.

Motor Insurance Database Information relating to your insurance policy will be added to the Motor Insurance Database (MID), managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for the purposes not limited to but including:

- 1 Electronic Licensing
- 2 Continuous Insurance Enforcement
- 3 Law enforcement (prevention, detection, apprehension and or prosecution of offenders)
- 4 the provision of government services and or other services aimed at reducing the level and incidence of uninsured driving

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at www.askmid.com
